**EUSL GROUP Impact Module factory investment/ R&S Sanctum Custodia Oy;**

We are delighted to hear about your company's interest to locate your Echo module factory in Kotka. We recognise the importance of industry to the local economy and our community, and would like to express our support and commitment to develop your company's future plans here in Kotka.

Kotka offers an excellent framework for industrial activity, including a logistically advantageous location, high quality infrastructure and an experienced and skilled workforce. We are known for our strong industrial tradition and our innovative business environment, which makes our city an ideal place to set up a factory.

The city authorities and Cursor Oy are both ready to provide all the necessary assistance and support to make your company's establishment in Kotka as efficient and hassle-free as possible. We understand that setting up a factory is a significant investment and we want to ensure that you have all the necessary resources and support at your disposal.

In addition, we are ready to support you in recruitment and help you in cooperation with local training institutions and employment agencies. We understand the challenges of starting a new factory and are here to help every step of the way.

We thank you for your trust and look forward to welcoming you as part of Kotka's growing industrial community.

Yours sincerely,

Jarkko Harjula
